0.1.4

2015-09-14

# Version History

|            |       |  |
|------------|-------|--|
| 2015-09-09 | 0.1.4 | Removed "Last Modifeid By" and "Last Modified Date" labels/info from "Edit Script" screen.   |
| 2015-09-09 | 0.1.3 | Replaced "Last Updated" column header title with "Created On"  |
| 2015-09-08 | 0.1.2 | Added back "Version" column and removed "Modified by" from list view. Added toggle button on New and Edit screens to set Script Active or Inactive.  |
| 2015-04-07 | 0.1.1 | Removed "Version" column and added "Modified by" from list view. Renamed "Document Type" column heading to "Scripting Language" to make labelling consistent with Form fields. Created "Edit Script" screen. |
| 2015-03-30 | 0.1   | Initial Version  |
